EXPERIENCE

Bitwise Industries / Application Development Apprentice

09 2021 - PRESENT, 700 Van Ness Ave, Fresno Ca 93721

As an apprentice we shadow developers and work on client projects. In addition, we co-teach and provide presentations on specific technologies that we are working on.

Freelancing

May 2019 - August 2021

Working with clients to improve or build their websites/web applications. I have worked with companies such as WITS(Women in Tech Summit), and RDC Boxing.

VOLUNTEER

TechGirly / Instructor & TA

April 2016 & August 2020, Philadelphia Pa

This volunteer work involved teaching children the basics of Arduino and C++. And Teacher Assistant for intro to python.
